CHANGE OF RESIDENT PROGRAM DIRECTOR FORM

This form must be submitted to the ACVSMR office (via website) within 30 days of the date that a change of Resident Program Director becomes effective. The new Resident Program Director should give a copy of this completed form to the resident, which should be retained by the resident.

To be completed by the new Resident Program Director:

I have read the current ACVSMR Residency Program Guidelines as adopted by the American College of Veterinary Sports Medicine and Rehabilitation. I understand my role and agree to perform and oversee the training, resident logs, and evaluation of the resident, including ensuring that the resident not only meets the minimum requirements as outlined in the Guidelines, but also meets the criteria for acceptance into the College: has a satisfactory moral and ethical standing in the veterinary profession and a commitment to the constitutional objectives of the ACVSMR. I understand that it is my responsibility to ensure, to the best of my ability, that the information presented by the resident in the web based Resident Training Log documentation system is complete and accurate.
