

AMERICAN COLLEGE OF VETERINARY SPORTS MEDICINE AND REHABILITATION PROGRAM

RESIDENT ANNUAL PROGRESS REPORT & CERTIFICATION STATEMENT

To all American College of Veterinary Sports Medicine and Rehabilitation Program Directors and their Residents:

The following serves as a reminder that *all* residents in Veterinary Sports Medicine and Rehabilitation training programs are required to submit annual reports to the Credentials and Residency Committee (CRC) in accordance with the current Guidelines. Progress reports are due by August 1st each year and should include the entire previous year of training. **All residents must follow the instructions detailed below**, which are based on the Residency Guidelines. **Reports must be typed and must be complete or they will not be reviewed.**

The following are recommended to ensure a successful annual review:

- Include a signed and dated Progress Report Certification Statement. Please ensure that your Resident Program Director certifies your report.
- Master Log
 - Ensure that all mentors have signed the mentor section of the Master Log. Ensure that the mentors are the same as those listed on the annual program updates approved by the Residency Training Committee. If more than one individual supervised any particular week, all names and signatures must be provided.
 - Check that your final tabulations match the number of immersion weeks and seminar/ continuing education hours submitted.
 - All weeks should be listed in the order that they were performed.
 - **Immersion requirements:** Specify each weekly rotation as either: Sports Medicine/Rehabilitation Immersion with American College of Veterinary Sports Medicine and Rehabilitation supervision, Specialty Practice with Specialist Mentoring, Independent Sports Medicine and Rehabilitation Study or Practice, Research, Rehabilitation, or Vacation. Credit can only be granted for one category for any given week. The total number of reported weeks per year will be 52. See the college residency guidelines for more information.
 - **Seminars Requirements:** List all seminars by date, subject, speaker or moderator, location, format, and hours attended, and include an annual seminar schedule with your submission. Please note that clinical student, 'cage-side' or other informal rounds do not meet these requirements and nor do non-sports medicine/rehabilitation topics.
 - **Continuing Education Requirements:** List all CE lectures attended individually by date, meeting, location, subject/title, speaker, and hours attended. Please note that non-sports medicine/rehabilitation topics do not meet these requirements.
 - **Publication Requirements:** List all any publications submitted and their status (in review or accepted, published) and include citation information.
- If you have fulfilled a requirement, and received verification in a previous annual report letter, you may indicate this in the area provided.
 - Example: Publication Requirement: Requirement fulfilled per CRC.
- If you are resubmitting material from prior reporting periods for credit not previously granted, please ensure that this is clearly stated in a cover letter and include specific details such as dates, location, etc. on the forms provided. Ensure that you also include a
