

**AMERICAN COLLEGE OF VETERINARY SPORTS MEDICINE AND REHABILITATION**

**RESIDENT BIENNIAL PROGRESS REPORT FORM**

Please meet with your residency program director to complete this progress evaluation form. This evaluation is due **every February 1<sup>st</sup> during the duration of your residency training program.** All contained information will be held in strict confidence.

The resident program director is responsible for oversight of all aspects of the residency training program, including design of the program and monitoring the resident’s progress in the program. A resident program director must be available to the resident and must coordinate all clinical and educational aspects of the residency. The resident program director is responsible for ensuring that both the core curriculum (minimum requirements) and the high standards of the residency are accomplished. The resident program director is also responsible for reviewing sports medicine and rehabilitation immersion, experience, and skills logs and for reviewing and critiquing progress reports with the resident.
