

AMERICAN COLLEGE OF VETERINARY SPORTS MEDICINE AND REHABILITATION

RESIDENT CREDENTIALS SUBMISSION FORM

An electronic copy of this credentials submission form and all supporting documents plus the non-refundable credentials submission fee must be received by the Secretary (via online submission) no later than **August 1**. Application materials received after this date will not be accepted for the next board-certification examination. All application materials will become the property of the American College of Veterinary Sports Medicine and Rehabilitation.

The preferred method of payment is via PayPal on our website (<http://www.vsmr.org>). Alternatively, a check drawn on a U.S. bank or money order will also be accepted if sent via mail to ACVSMR, P.O. Box 593, Camas, WA 98607.

Residency Credentials Submission Checklist

Please submit all of the below documents electronically online at www.vsmr.org.

- This completed and signed Residency Credentials Submission form.
- A credentials submission fee of \$350 (US).
- A copy of your Residency Training Program master log documenting successful completion of 72 weeks of sports medicine and rehabilitation, 20 weeks of specialty practice, 38 weeks of independent study, 8 weeks of cross or same species sports medicine and rehabilitation training, and 12 weeks of research. Documentation of management of 400 canine or 300 equine clinical cases and completion of all required clinical experiences and skills. Reporting of 250 hours of seminar and continuing education requirements.
- One original peer-reviewed, hypothesis-driven publication in the field of sports medicine or rehabilitation for which the applicant is first author. If the manuscript is not yet in print, then a letter indicating unconditional acceptance of the manuscript by the journal editor needs to be included together with an electronic copy of the manuscript.
- One** letter of recommendation from an active diplomate of the American College of Veterinary Sports Medicine and Rehabilitation who served as a program director and is able to verify the applicant's expertise and time commitment to clinical cases involving canine or equine sports medicine and rehabilitation.
- Two** letters of recommendation from active diplomates of ABVS-recognized colleges who have sufficient experience working with the applicant to verify the applicant's expertise and time commitment to clinical cases involving canine or equine sports medicine and rehabilitation.

These letters of recommendation should be addressed to the "Credentials Committee" and submitted online.

You will receive acknowledgement of receipt of your submitted credential materials from the College Secretary within 14 days of submission. You will then be notified by the Credentials and Residency Committee regarding the acceptance of your credential materials for the College board-certification examination at least 120 days prior to the examination.

All candidates are required to sign the following agreement at the time of credentials submission: I hereby apply to the American College of Veterinary Sports Medicine and Rehabilitation for examination in accordance with its rules and herewith enclose the application fee. I also hereby agree that, prior to or subsequent to my sitting the board-certification examination, the Board of Directors may investigate my standing as a veterinarian, including my reputation for complying with the standards and ethics of the profession.
